

AFTER GOD'S OWN HEART

This week's Scripture: _____

Do you know someone, maybe at school, who is very successful, popular, and influential? How would you describe that person? How do they act?

Make a list of all the things that God promised to David in this covenant.

If God made such incredible promises to you, personally, how would you respond? How do you think it would affect your view of yourself? Of others?

Knowing what you do about David's fame and power at this point, does his response in verses 18 and 19 surprise you? Why or why not?

This week, I learned that a man after God's own heart is:

Re-write Psalm 8:3-6 in your own words.
